[Photo by DM]

April 3, 2005 -- JESSICA Alba - who's white-hot as a stripper in handcuffs in "City" - has a boyfriend, but she's trying to keep him a secret. The lucky lad is Warren, son of "Hill Street Blues" star Michael Warren. An ex-basketball player, Warren was assistant to director Tim Story on the Hungarian set of "Fantastic Four," which Alba plays Susan "The Invisible Woman" Storm. The couple was at a party around the other night when two blondes starting giving Cash the eye. Alba was the manager to move them to a new table away from the "sharks."
